

Insights to my 30d LinkedIn PACT

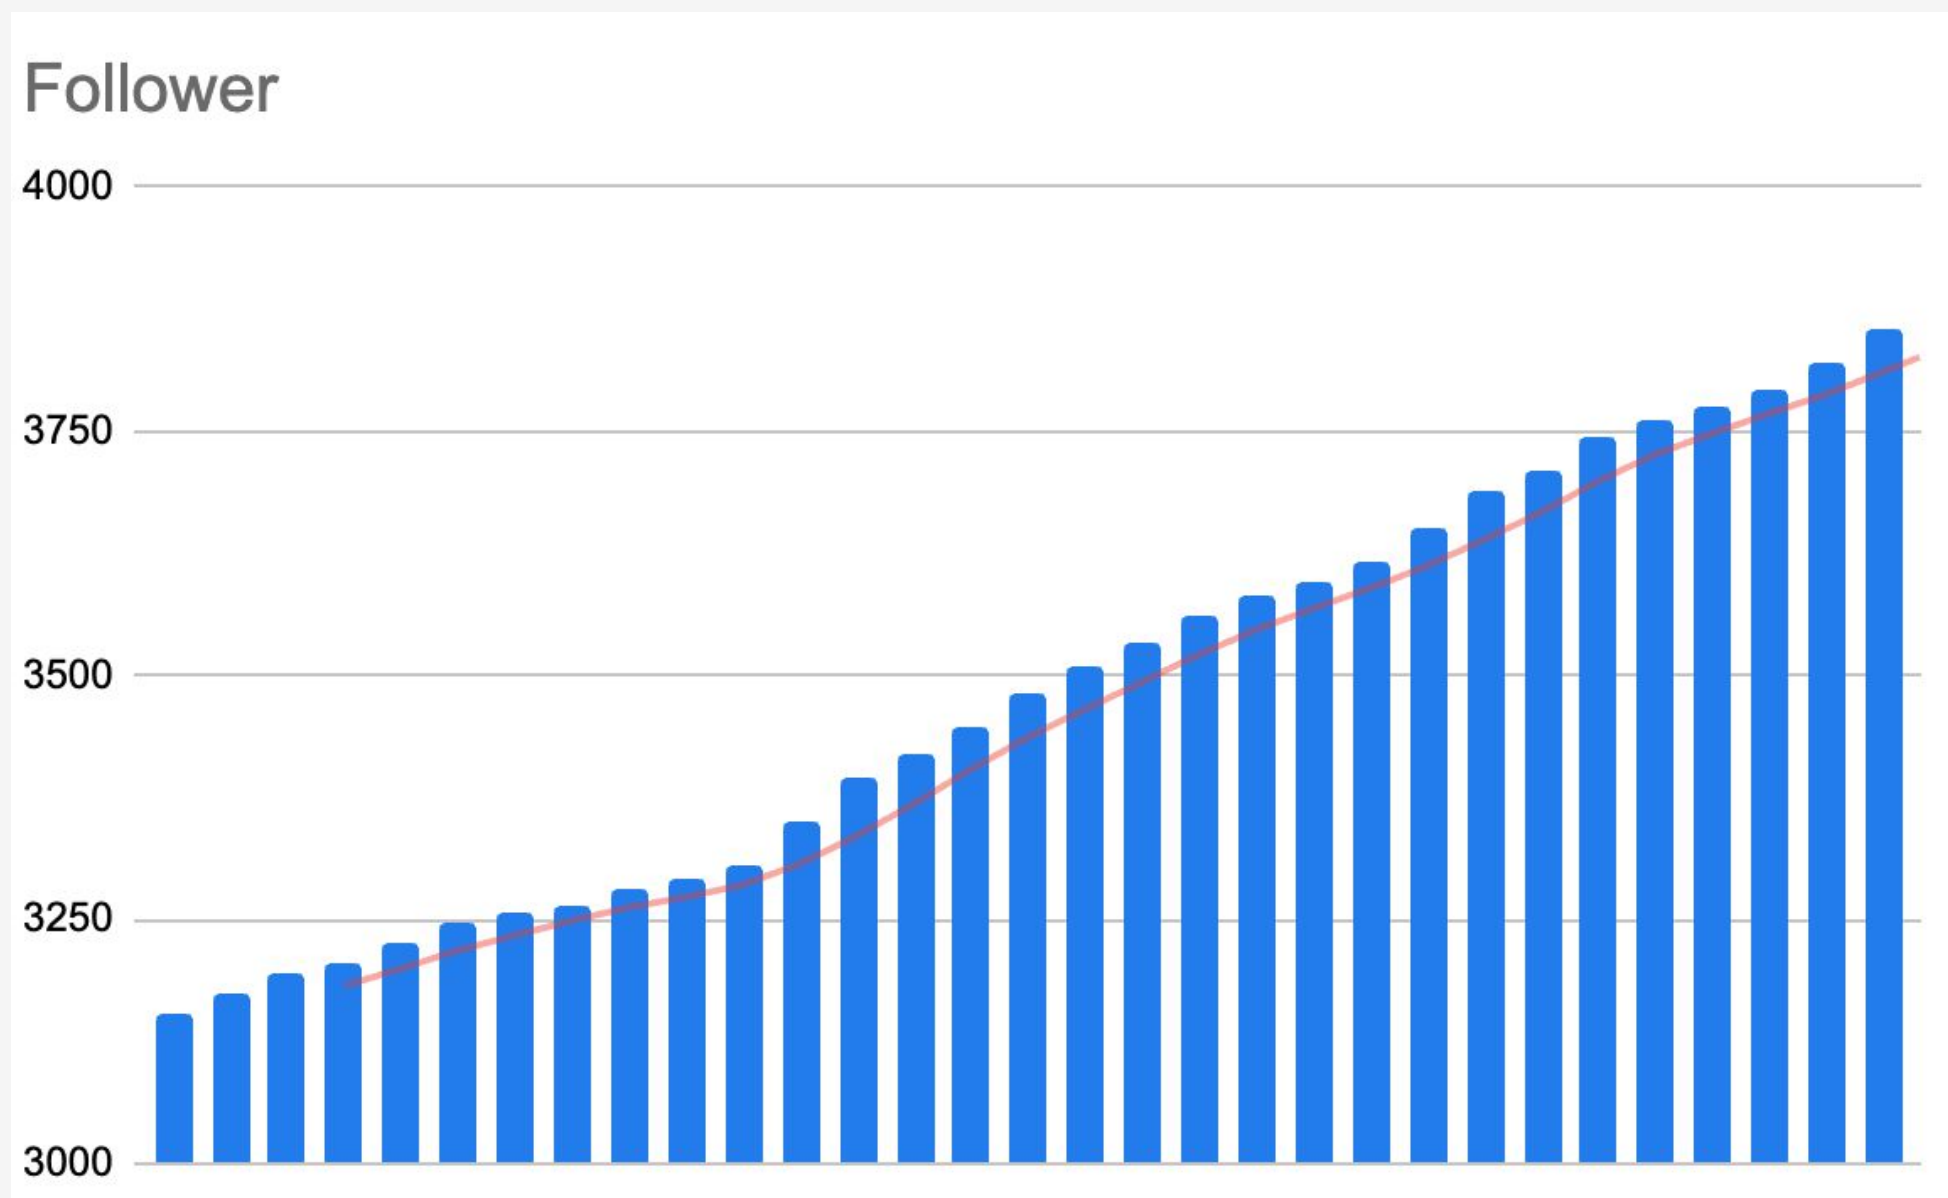

- Engagement drives Engagement
- Stories & Content formatting matters
- Actively connecting is important
- Impressions in a niche take time

Connections per day. From near zero to about 20/d

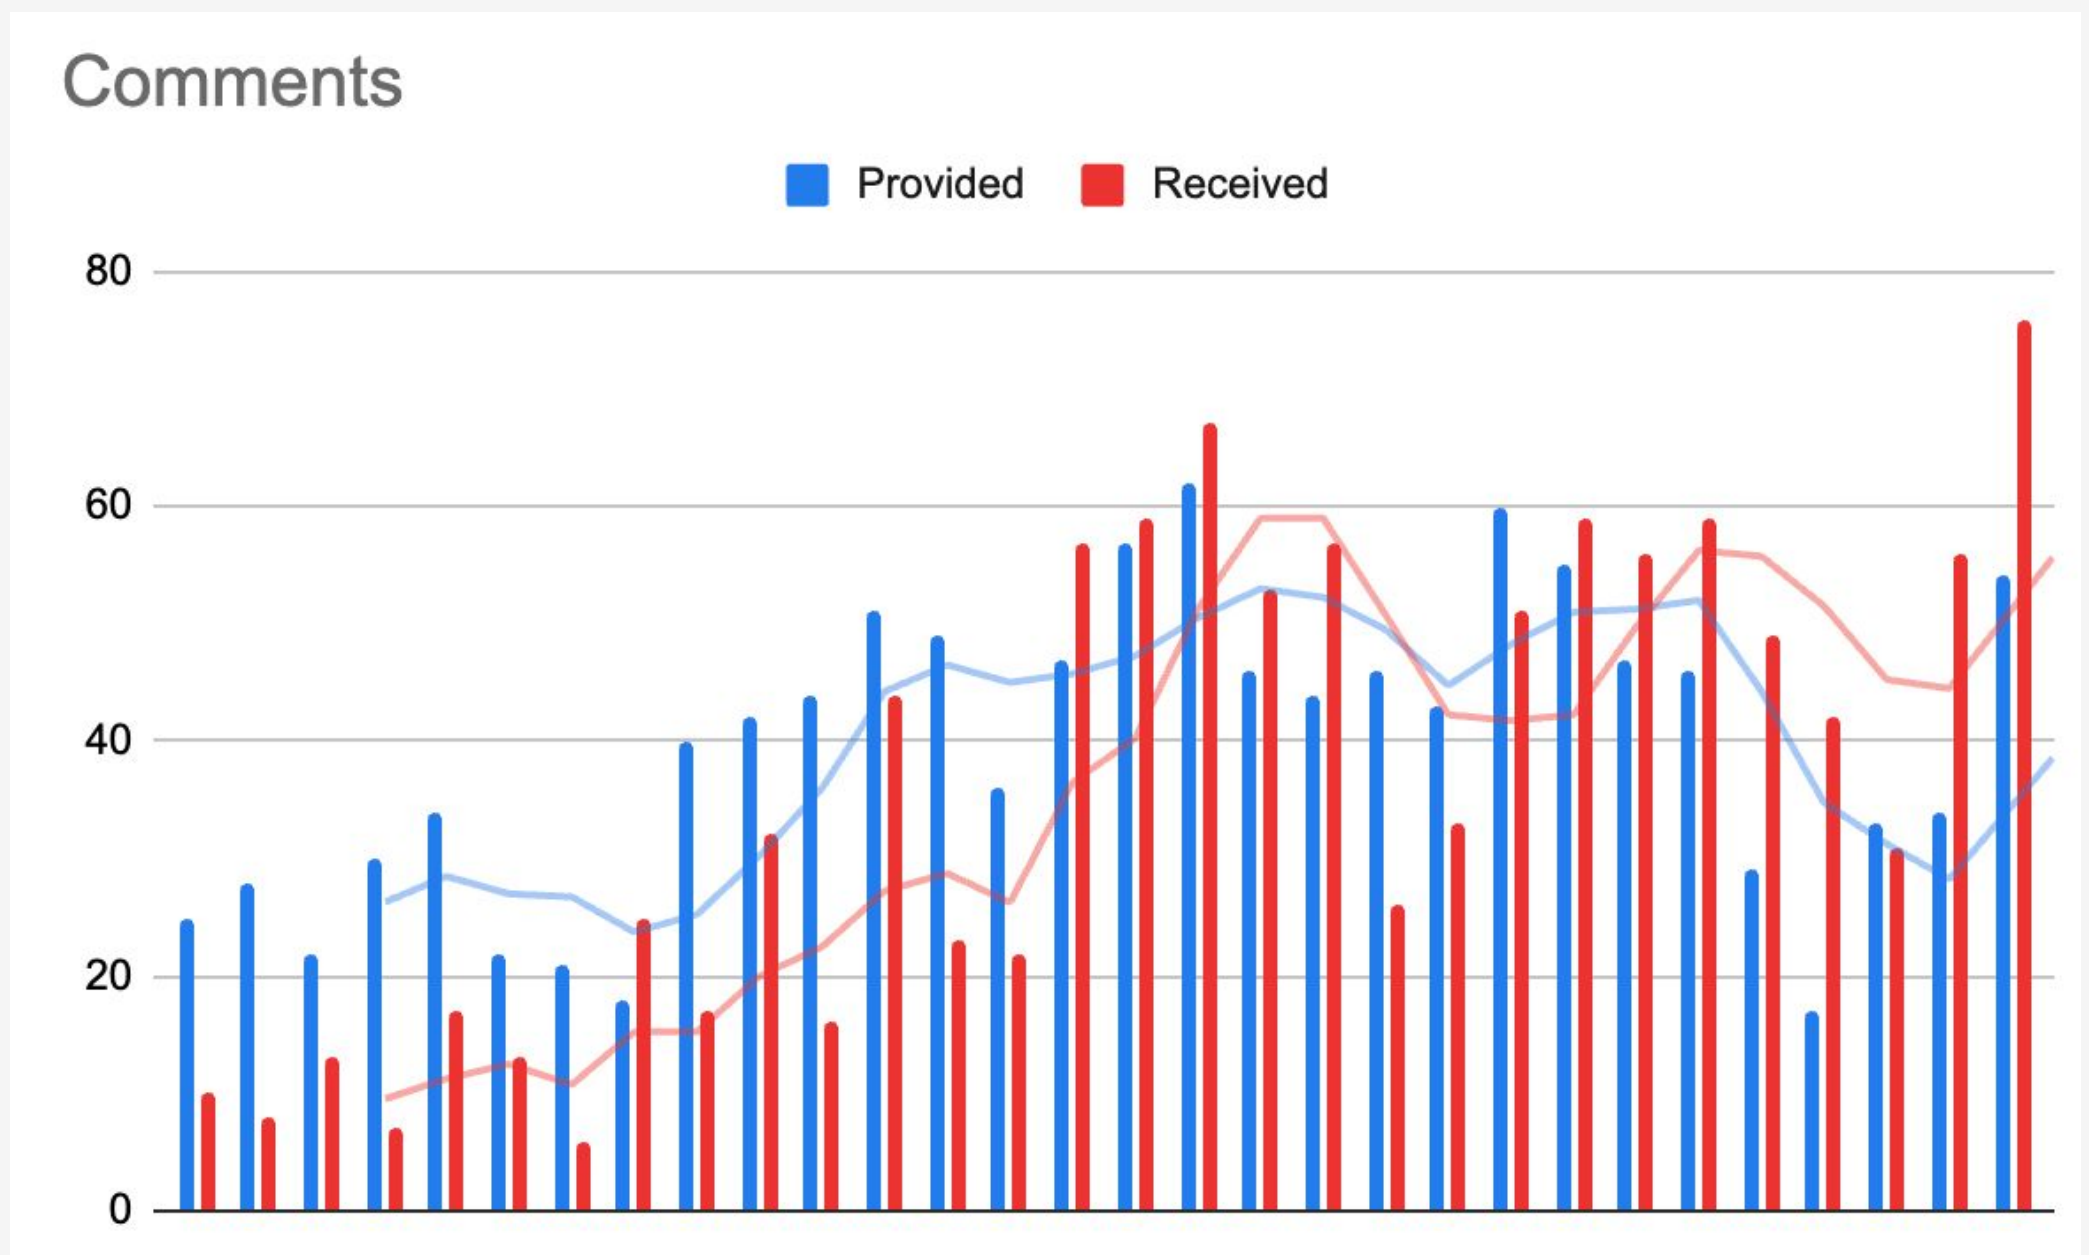

About 25 followers/day compared to 2/d before

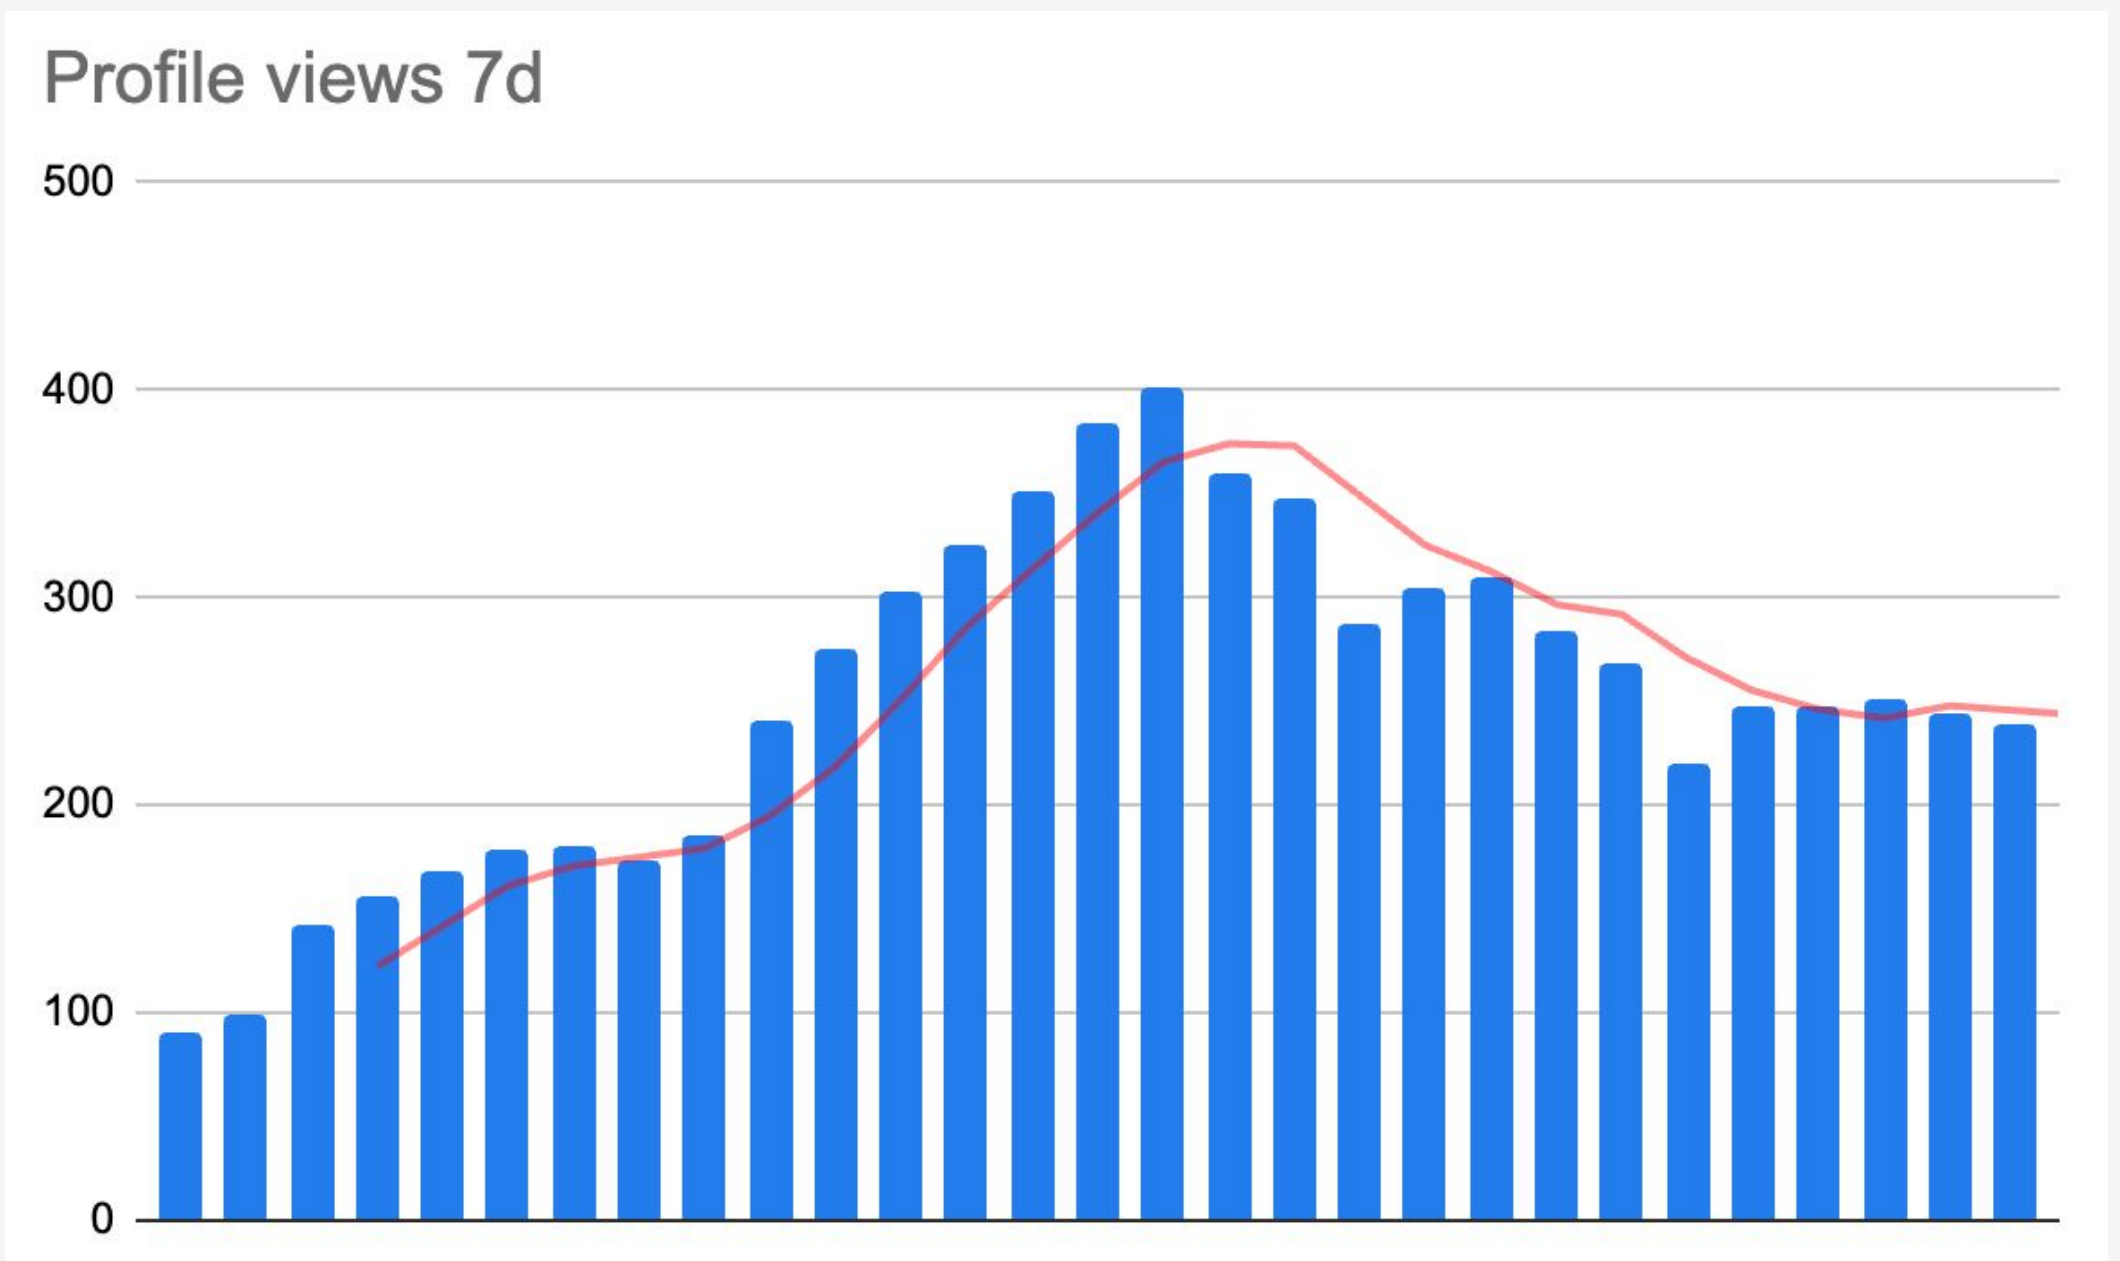

Comments from near zero before to 53/day

But I also provide many comments!

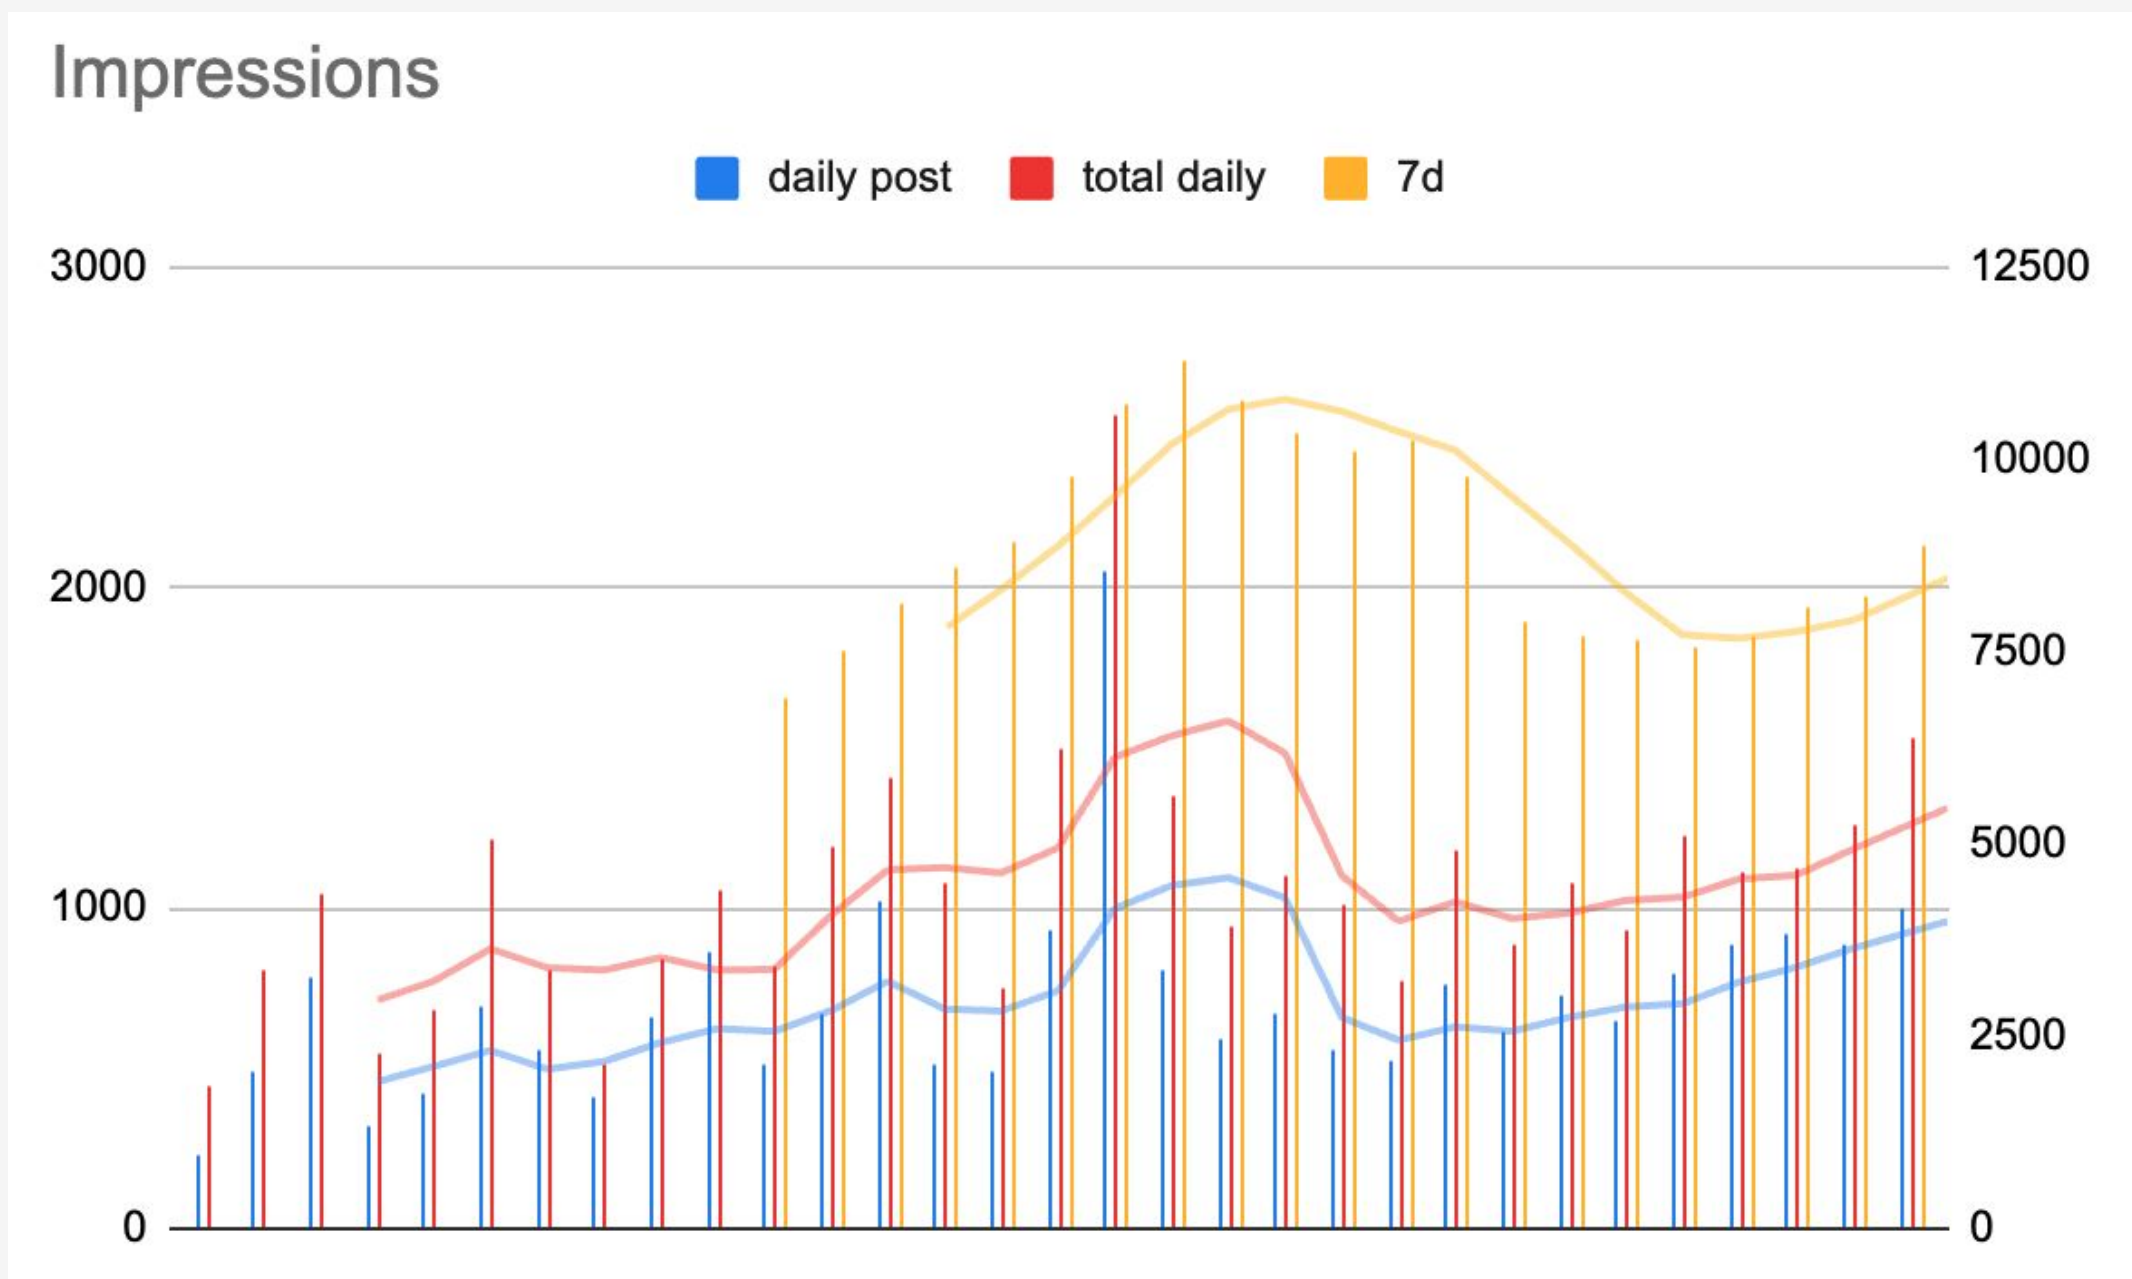

Profile views from 60/7d to 240/7d - 400%

Impressions with steady increase.

No big outliers yet
